

SUMMER CITY CAMP 2022 - ITALIAN + FUN

for children from 11 to 15 years

It's time to repeat this year again our Summer City Camp for 11 to 15 years old children! A full immersion in the Italian language, where they will find themselves at ease learning Italian by playing fun educational games tailored for their age, during the language classes at school in the mornings, and in the afternoon activities to discover Turin and the Italian way of life. This year we will have two afternoon dedicated to music with "Perform school of music", our partner music school in Turin: an introduction to playing an instrument while having fun in Italian! Day after day, they will improve their language skills, such as listening comprehension and their ability to manage easy everyday situations in Italian.

A team of professionally trained mother tongue teachers and activity leaders will take care of the kid's welfare day-to-day, guaranteeing experienced supervision at school during the morning classes, as well as during lunch and all leisure activities in the afternoon.
