

Our school's philosophy is that you need to be completely immersed in the foreign language to learn it. So, the leisure activities we organise for our students are a substantial and integral part of our teaching programmes.

Every week we promote a wide range of leisure activities to integrate the students as much as possible. Some of them:

- Cultural seminars, such as: Italian Art, Mosaic, Italian Cinema, Music, etc;
- Italian movies at the school, using a wide screen HD 50" monitor;
- "Aperitivo Happy-Hour": in elegant bars or under the trees in the garden;
- pizza in the open air at a restaurant at the seaside;
- dinners in a typical "Romagnola trattoria";
- wine tasting with theory and explanations, sampling typical Italian "delicatessen";
- cookery lessons: during the lesson the students prepare and cook a complete menu;
- mosaic practical lesson, at an authentic laboratory;
- horseback trail ride in the countryside with a professional guide;
- bird watching to the parks and nature reserves close to the town
- a wide variety of beach sports.

## City tours / Excursions

We organise regularly guided tours of Ravenna. Due to Ravenna's priceless works of art, including eight monuments registered on the World Heritage List of Unesco, we offer different tours, always with one of our teachers as guide.

Excursions to the historical fishing villages of Cervia, Cesenatico, Comacchio. The beautiful Pomposa Abbey and so on.

Full day trips to the masterpiece locations normally during the weekend: Firenze, Venezia, Ferrara, Bologna.
